

Create a Pic Collage to

Use the i-pads to take photos of our school to match the headings below. ~~Download the photos to your class computers (or they should appear in your Google Drive).~~ Print them, cut them out and glue them under each of these headings. When you take your photos, think about: the materials used to build it; different parts of the school for different purposes.

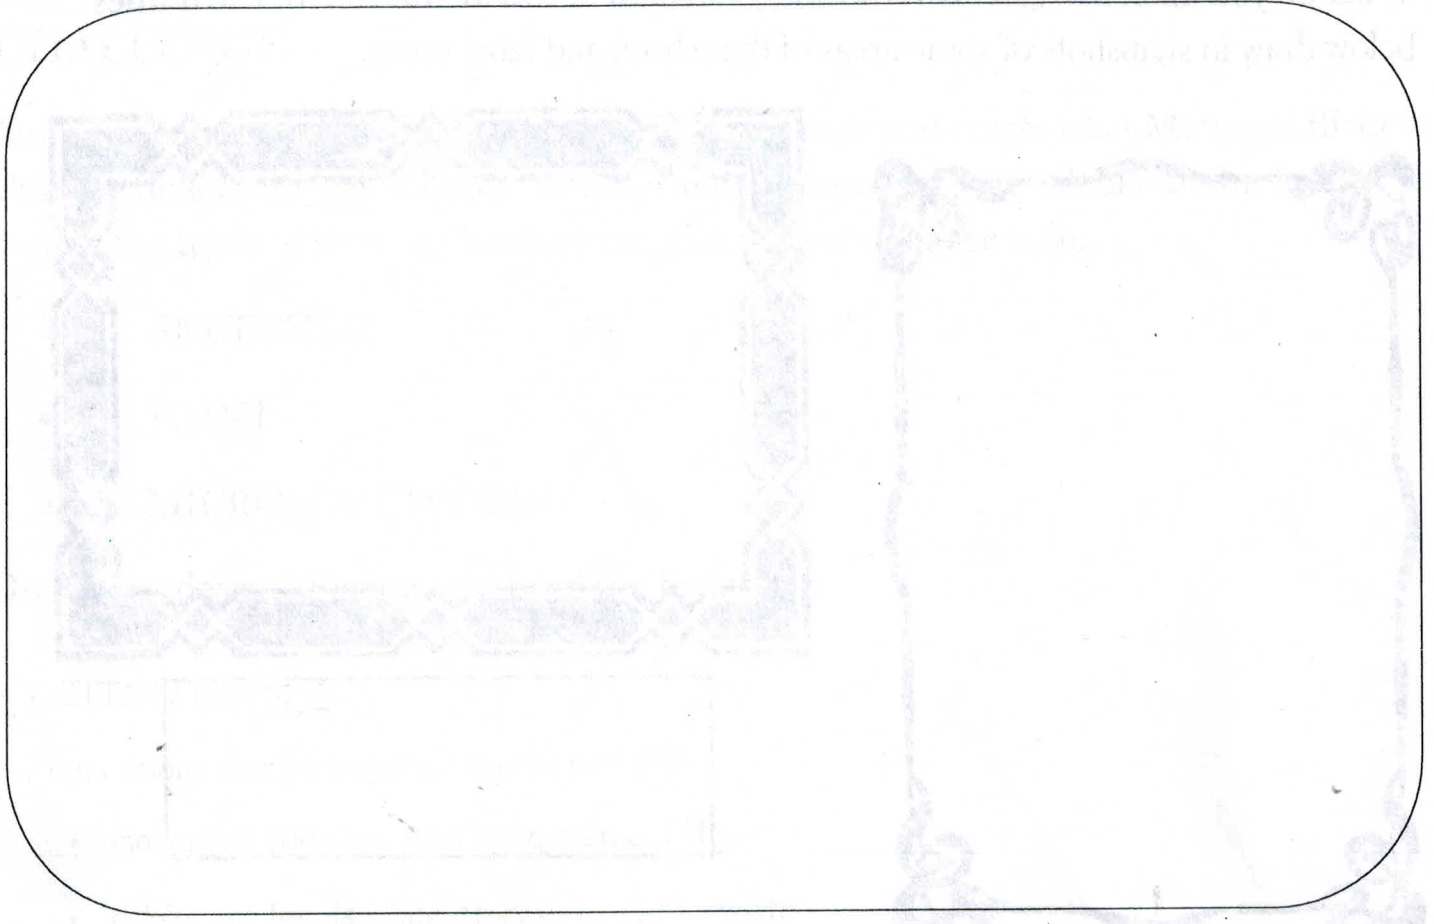

CONSTRUCTION MATERIALS used:

THE LIBRARY:

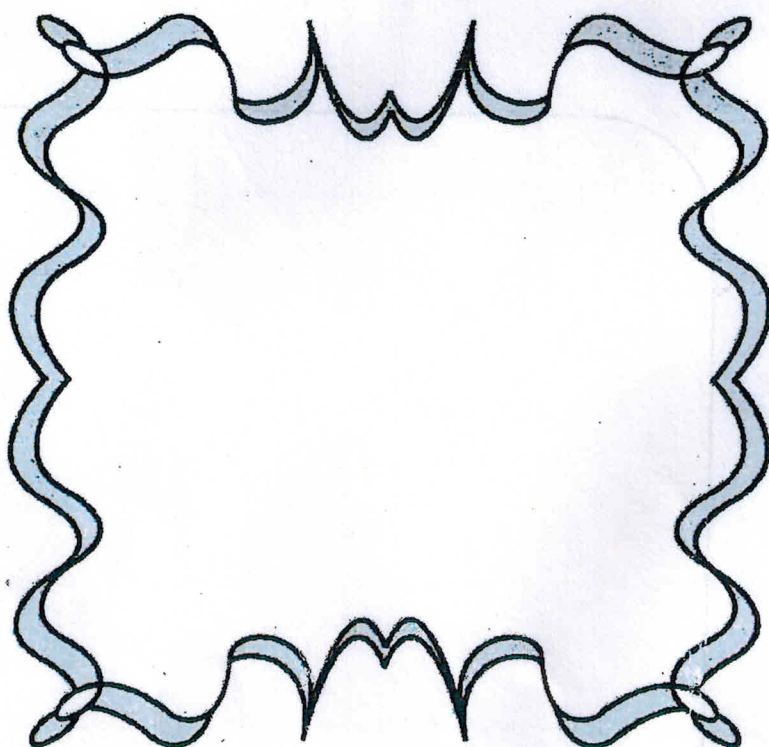

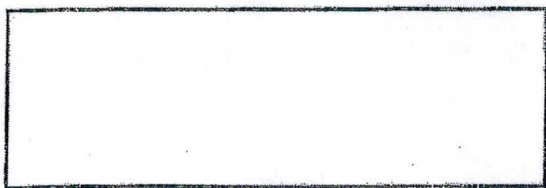

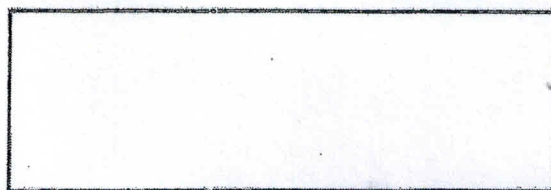

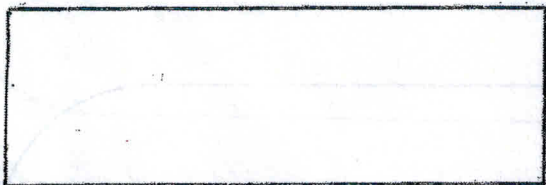

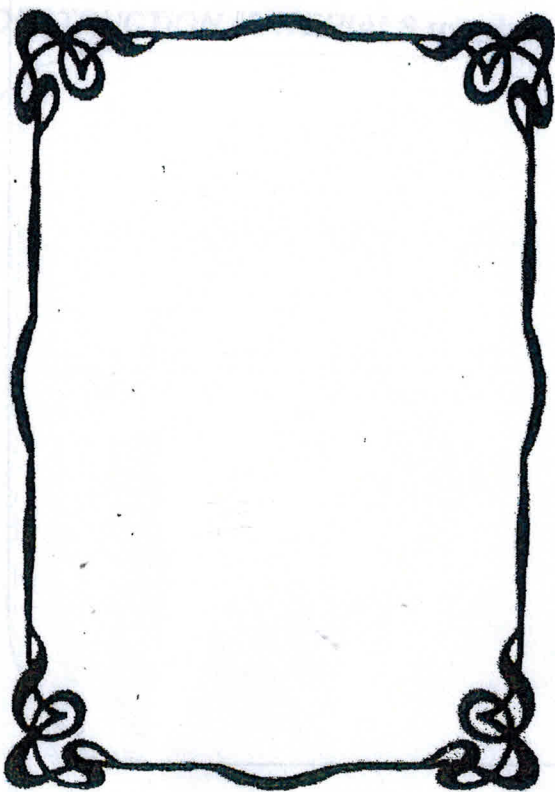

CLASSROOMS (from outside) and OFFICE AREA:

PLAYGROUNDS:

What do you think Margaret River Primary will look like in the future? In the frames below draw in snapshots of some areas of the school and label them.

CHALLENGE

Use one, some or all of the programs below to design and create what Margaret River Primary School (or any school) buildings and classrooms may look like in the future and/or the types of tools, technology etc. that students may be using.

- SKETCHUP
- PAINT
- MICROSOFT WORD

Draw your design(s) below and label the features.

ACTION PLAN

Think about the structure's characteristics...

- materials that are used to construct it.
- different levels - one storey, two storey etc.
- where the classrooms, office area, canteen, library, playgrounds etc. will be...
